## **GENERAL INFORMATION**

### **Auctioneer's Foreword**

Bletsoes are delighted to be invited to conduct this brand new sale for the Eastern Region Hampshire Down Club. The aim is to bring the sale to a more central point in the country, making it more accessible to potential breeders and commercial buyers making it easier to experience the breed.

Those unfamiliar with the breed or would like to start breeding Hampshire Down Sheep, there is a vast amount of information on the Hampshire Down website - Hampshire sired lambs are easy-care with easy lambing. The lambs are quick to suckle and robust, with tight skins making them hardy from a very early age. They will finish quickly on grass with no concentrates. The carcass is well fleshed with one of the highest eye muscle scores of any breed. The Hampshire Down ram is long lived and vigorous and is able to cover a good number of ewes each season.

We look forward to this new sale and welcoming you to Stratford Livestock Market. If you would like any further information regarding this sale please do not hesitate to contact myself or any of the team.
