Bletsoes is a busy independent firm of Chartered Surveyors and Auctioneers predominantly working with agricultural businesses and land-owning clients. We have a large client base in the Midlands, Home Counties and East Anglia, and we have a growing workload within our successful Planning and Development Team. The role will include a range of development and planning work including the negotiation of option and promotion agreements, development land agency and planning work – including the promotion of land for development, planning applications and planning appeals. In addition, the role may also include some valuation work and involvement in renewable energy.

Candidates should be hardworking, capable, organised and keen to work within a busy team as well as on their own initiative. An understanding and interest in the development process is important along with the ability to provide our clients with broad advice on related matters.
