## REPORT FOR TUESDAY 10TH MAY

A welcome sight of New Season Lambs entered this week saw prices beating the deadweight returns. Prices look to increase steadily over the coming weeks, however this is all dependent upon the supply that is put on the market and the demand from buyers. Stratford is a convenient sheep market for many vendors, why not come and be surprised at the prices achieved. One swallow doesn't make a summer. We would be pleased to see you next week or any week. Please contact us with your entries, or questions regarding marketing your stock.
